Joe...making sure you were aware of this.

Also Doug mentioned to me last night that the Anaconda trip is now the 2nd week of April...not sure of dates. I'll try to give you a call later today or tomorrow.

...if everyone (including any external parties) who was/were anticipating the CFAC trip in May, has been informed that it is being postponed until June. I want to take the holds off Doug's calendar for those weeks in May.

Thank you.
